Follow these simple steps to submit your case to BMJ Case Reports

1. Click on ‘Submit a paper’
2. All authors need to register once on the submission system (ScholarOne Manuscripts). Authors that have registered can log in using their ‘User ID’ and ‘Password’.

First time authors will need to register by clicking on ‘Register here’ and completing all the three steps circled. Ensure you complete all the fields marked (req). At the end of step 3 on the ‘User ID & Password page’ click on finish to complete the registration form.
If you have any problems submitting your paper or finding your ‘Fellowship Code’ please contact bmjcases@bmjgroup.com casereports.bmj.com
